True tales of everyday, extraordinary women

New Chicken Soup for the Soul collection offers inspiration for the female heart

COS COB, Conn. –Women have always shared a special bond with each other, rich with soul-baring honesty and unconditional support. Close female friendships are evident in popular culture every day, whether it's Oprah and Gayle, Paris and Nicole or the fictional chums of "Sex and the City," who support each other through thick and thin. But even with these glamorous examples, it is the everyday wisdom of regular women that truly inspires the feminine spirit.

In *Chicken Soup for the Soul: Woman to Woman* (Chicken Soup for the Soul, 978-1-935096-04-7, September 2008, \$14.95), women of all ages and backgrounds share their personal, heart-warming experiences in a collection that reminds us all what it really means to be a woman. Speaking directly to sisters and grandmothers, mothers and daughters, coworkers and friends, *Chicken Soup for the Soul: Woman to Woman* offers touchingly poignant wisdoms to refresh the female soul.

"Friendships are a must for women," writes *Chicken Soup for the Soul: Woman to Woman* contributor Rhonda Rhea. "If it weren't for friends, women would have to go to the ladies' room alone. And who would offer a truthful assessment about whether an outfit makes your hips look big? If it's been a while since you've made time for friends, take the time and share a laugh with a sister. Both are a gift from God. We need each other – there are certain matters that only women understand. Two of those are 'mauve' and 'taupe.' Another is, of course, other women."

Chicken Soup for the Soul: Woman to Woman includes chapters on a wide variety of subjects ranging from mothering to achieving your dreams to finding your courage, each with true-life stories and insights on the shared female experience. It is part of the new "101 Best Stories" series by the new publisher of Chicken Soup for the Soul books. With refreshed cover designs and interior layouts, books in the "101 Best Stories" series offer the Editor's favorite tales and poems submitted in the 15-year history of Chicken Soup for the Soul, reflecting the brand's excitement and new energy on this memorable anniversary.
